FACIALS

Bella Basic Facial

\$65

This is a medical acne facial for the purpose of carefully unroofing pustules, extracting blackheads and deeply cleansing the skin. *A perfect option for teens, especially with those who have congested pores or active acne.* This reasonably priced facial includes cleansing, steam, extractions, toning, moisturizing and sunscreen. A great introduction to facials for the first-timer. May be billed to insurance. (30 mins) Add 5% Glycolic treatment \$15

Deep Pore Cleansing Facial

\$95

This clarifying facial includes a deep cleanse, exfoliation, enzyme peel, steam, clay masque and extractions to help eliminate the debris in the pores, thus decreasing future blemishes. *Excellent for adult acne, blackheads and uneven skin texture due to congested pores.* Walk out of the office feeling sparkling clean and refreshed. (50 mins)

Calming Facial

\$95

A gentle and healing facial designed to soothe. *It is ideal for cooling and clarifying rosacea and sensitive skin.* Aloe/Cucumber and Azulen Soothing masks are used to aid in reducing redness and irritation. Phyto-corrective gel or B5 serum acts as a hydrator without leaving the skin oily, while the antibacterial and antiseptic properties help clarify the skin. Follow-up treatment with Rosacure by Glytone helps optimize the pH of the skin and reduce redness. (50 mins)

Regenerating and Rejuvenating Facial

\$150

Want to be pampered? This luxurious customized facial uses SkinCeuticals skin care products to deliver hydration and active serums to your skin. It is *perfect for combating signs of aging, dry skin or volume loss.* After an invigorating cleanse, your skin will be exfoliated, extracted, steamed and a custom mask will be applied. Includes a relaxing décolleté massage. To top it off, this facial also includes a silk peel dermalinfusion with active ingredients tailored to your skin type! (75 mins)

Vitamin C Antioxidant Facial

\$145

Specific ingredients designed to brighten, lighten and tighten the skin are used to *refine the uneven appearance of pigmentation in sun-damaged skin.* This is a clinical treatment resulting in a more even skin tone and overall radiance. A super effective facial with enzyme peel, steam, extractions and a Vitamin C Antioxidant Mask. Your skin will be renewed! (60 mins)

EVENT FACIALS

Event facials are perfect for the red carpet, weddings, parties - any event where photos and memories are involved.

Make more beautiful memories by preparing the skin to glow!

Red Carpet Ready Oxygen Infusion Facial

\$145

This amazing new treatment uses pressurized 100% medical oxygen and a unique serum blend that is administered onto the skin providing immediate and visible results. Pure oxygen activates and delivers peptides, vitamins, minerals and antioxidants to nourish and replenish skin cells. It improves the overall health, texture, hydration and elasticity of your skin. This treatment results in clear, glowing complexion, promotes circulation, post-operative healing and post laser restoration. *Ideal for all skin types.* It includes cleansing, steam, enzyme exfoliation, extractions and neck and décolleté massage. Enjoy a smooth, glowing palette for your makeup and head to the red carpet! (60 mins)

Hollywood Fire & Ice Facial

\$150

Created by iS Clinical, this facial is famous for its instant brightening, smoothing and tightening of the skin. It is also known as "The Red Carpet Facial" in Hollywood, for obvious reasons! This intensive clinical treatment is designed to resurface the skin, reduce fine lines and wrinkles and deep clean blocked pores. Serums and creams with aromas of warm cinnamon and cool peppermint compliment precise combinations of two professional treatment masks. The skin will feel tight and firm, and usually have a glow. The skin may have a mild redness following the treatment, but it is temporary. There should be no scaling or downtime. (45 mins)

Geisha Enzyme Facial

\$145

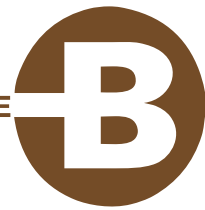

Beautiful Geishas have used this nightingale derived enzyme facial for centuries to maintain the smooth perfection of their skin. The ancient technique originated in Japan in 794, and was popularized among Geisha beauties in the 1700's. This prized Geisha beauty secret is artfully revived through this facial. *Uguisu* is perfectly safe to use on the facial skin, sanitized through exposure to ultraviolet light before being freeze-dried and milled to a fine powder. The refined powder is blended with delicate Japanese rice bran to enhance its inherent exfoliating and skin lightening properties. The complexion is left glowing, smooth and soft. (60 mins)

Action, Lights, Camera! Facial

\$170

Start with the Silkpeel microdermabrasion treatment to micro-exfoliate, plump and brighten the skin, and follow it up with a red or blue light treatment. Your skin will be glowing, and you will be camera-ready! (55 mins)
